

FOOD SAFE CLEANER & DEGREASER

Food Surface Degreaser
& Multi-Purpose Cleaner

(A1320)

FOOD SAFE CLEANER & DEGREASER is a waterbased foaming degreaser that is safe on food contact surfaces and suitable for use in food handling and processing areas. Removes fats, oils, cooking grease and protein residues from all washable surfaces in kitchens and food processing areas. Great for cleaning ceramic tile, concrete, terazzo, tables, equipment, walls and more. The unique formula eliminates oxidation odors and clings to vertical surfaces, making clean-up fast and efficient. Safe on plexiglass, formica, aluminum, stainless steel, painted metals, glass and plastics. Removes heavy accumulations of grease from chains & cables, industrial parts and manufacturing equipment. NSF rated A1.

DIRECTIONS

Shake well before use. Apply from a distance of 6–12 inches. Allow several seconds for product to penetrate grease and soil before wiping clean. Once clean, thoroughly rinse all treated food contact surfaces with clean, potable water and wipe dry with a clean cloth or towel. Repeat if necessary. For use on cold surfaces.

Health	1
Flammability	1
Physical Hazard	1
Protection	B

Areas of Use:

- *Meat & Poultry Plants
- *Bars & Breweries
- *Food Plants
- *Restaurants
- *Delis & Bakeries
- *Hotels
- *School Districts
- *Chains & Cables

Appearance & Odor.....	White foam with bland odor
Relative Density (H ₂ O=1).....	1.00 - 1.03 @ 77°F (25°C)
Net Contents.....	18 OZ.
