

FULL SEND

In-Bay Touchless High pH Prep/Presoak Carwash Detergent

(G3224-EA)

FULL SEND is a fast-acting prep/presoak free rinsing detergent that can quickly cut through oily dirt, grease, road film and bug residue without scrubbing. **FULL SEND** can be used as a prep soap, presoak, bug remover or wheel and tire cleaner. The free-rinsing formula and water conditioning agents help **FULL SEND** eliminate streaking. Our space-saving highly concentrated formula makes **FULL SEND** very economical to use for a wide range of applications.

DIRECTIONS

Dilute up to 200:1 or use ½ ounce or more per vehicle. In touch-less applications, dilute with water, hot or cold, up to 100:1 or use 3 ounces or more per vehicle. Ready to use.
