

Lazer 3D

With CleanColor Technology

Unique, Powerful Urinal Screen

Virtually eliminates urine splashback

Changes color from dark to light when urine hits it, encouraging better aim

Works 24 hours per day

Each flush releases billions of optimized bacteria consuming the source of odors

Improves restroom appearance & customer experience

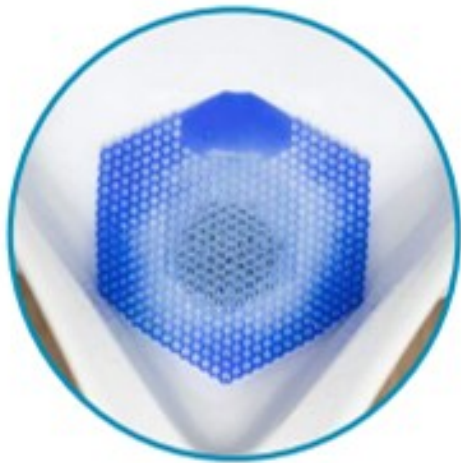

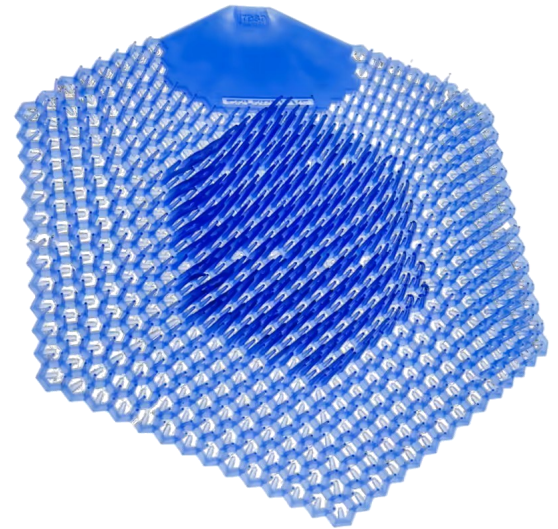

Patented, long protrusions break up the urine stream so clothes, floors, and walls stay cleaner

Keeps restrooms smelling fresh longer

2-3 x more fragrance than any other similarly sized screen for 30 days of freshness

Improved sustainability

More effective than competitors while using less plastic
