

RESTORE WATERMELON WIPES

Vinyl & Rubber Protectant
(B5283-B6)

RESTORE WATERMELON WIPES are the fast and easy way to clean and protect all surfaces of your vehicle. Premoistened with an advanced formula, **RESTORE WATERMELON WIPES** condition and protect leather, vinyl, plastic and rubber surfaces, both inside and outside the vehicle, while they clean and restore the surface's original shine.

RESTORE WATERMELON WIPES keep dashboards from drying, cracking and fading under the intense rays of the sun. They also clean and restore the "showroom shine" to parts: side moldings, rubber bumpers, cup holders, door and window seals and even plastic hub caps. Best of all, **RESTORE WATERMELON WIPES** have a special added antistatic ingredient that repels dust and keeps surfaces looking new long after they've been cleaned.

DIRECTIONS

Remove cover from canister and discard the covering seal. From center of wipes roll, pull up a wipe corner, twist into a point and thread through the hole from the underside of the lid. Pull wipes through about one (1) inch. Replace the lid on the container, assuring a secure fit. Keep the container closed when not in use to ensure moisture retention. Wipe down all surfaces and allow to dry to the touch. Discard the towel after use.

NOTE: Do not use on steering wheel, pedals and other instruments where slipperiness may present a hazard.

Health	0
Flammability	0
Physical Hazard	0
Protection	A

Areas of Use:

- *Municipalities
- *Cities & Counties
- *Automotive Shops
- *Bus Garage
- *Fleet Maintenance
- *School Districts
